

## 22 DOCTORS AND DENTISTS TO FINLAND

A Finnish company is looking for to recruit 22 doctors and dentists to the public health care sector in Finland. Positions to be filled include:

- **6 positions for dentists** and
- **16 positions for general practitioners and specialists** in the fields of internal medicine, radiology or geriatrics.

The recruitment starts with an intensive Finnish language course, which starts in Barcelona on 2<sup>nd</sup> of May.

### What we offer

We offer interesting and full-time positions in modern public hospitals and health care centers in Finland. All positions will be located in idyllic small towns in the Finnish Lake District, in Eastern or Northern Finland. We offer you and your family a safe, clean and peaceful way of living in a beautiful Finnish rural area.

Furthermore, we offer comprehensive placement support, so you would feel welcome and comfortable to start working in a new country. We will help you with everything including

- moving arrangements to Finland
- finding a house and a car
- finding a school and day-care for your children
- authority contacts including tax and registry office
- helping you to get to know the town and what to do in free time
- Support on all other every-day matters.

We also organize training courses for all our employees; for example, when you come to Finland, you will get an introduction course to the Finnish health care system.

The work is mainly regular hours during workdays, about 35-40 hours per week. We also provide insurance and health care for you. The monthly salary, depending on the position, previous experience and location:

- Dentists and GPs: Gross salary starting from 4500 € per month (ca. 2900 € Net per month).
- Specialists: Gross salary starting from 5000 € per month (ca. 3200 € Net per month).

### Language course

The intensive Finnish language course starts on 2<sup>nd</sup> of May 2013 in Barcelona. The duration is 3 months in which time you will learn enough Finnish to deal with the every-day matters in Finland. We will assist you to find an accommodation near Barcelona during the language course. Your language course will continue in Finland. The work in Finland starts in August, but the employment in Finland depends on your language level after the course.

## How to apply

Please send your CV and application letter in English by the 3<sup>rd</sup> of April 2013 to:

[ritva.lindstrom@ely-keskus.fi](mailto:ritva.lindstrom@ely-keskus.fi)

Please also attach 2 letters of recommendation.

We also expect you to speak and write fluent English.

For further information, please contact Ritva Lindström by email [ritva.lindstrom@ely-keskus.fi](mailto:ritva.lindstrom@ely-keskus.fi).

**The interviews will be held in Barcelona in 15 - 17.4.2013.**

In addition, if you are applying for the doctor position, please mention in your application, if you have any experience in practicing following procedures: joint injections, minor surgery operations, gynecology and geriatric health care. Your patients in Finland will represent all age groups from small children to elderly people.
