BELGIE

10 NURSES (M/V) (MECHELEN)- Referentie 52196327

- As a nurse you assure autonomous nursing for our residents: preparation and distribution medication, wound care, injections, blood sampling...
- You provide quality care and comfort to our residents.
- You evolve a sustainable relationship with our residents;

Your Profile:

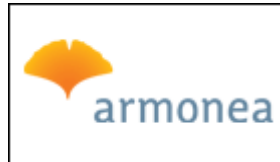

- You have a degree in nursing
- You love to work with elderly people and to listen to their needs
- You have the competence to observe and act efficiently in a care home
- You are a good team player and a communicator
- You are a responsible person
- You are punctual and willing to work in different shifts: morning, evening, night and weekend.
- You are ready to learn Dutch
- Knowledge of ICT is a plus

Degree: Professional bachelor

Permanent contract - Full time

We offer the normal standard salary in the sector

- The basic salary depends on the level of your degree

- For working in shifts you receive premiums above the basic salary
- After 6 months, you receive meal vouchers

Salary: min. 2228.0 euro gross/month

Place of work: we have different locations in Belgium
