

Director ejecutivo (Managing Director) Inglés. Empresa marisquera. GRYLLEFJORD, NORUEGA

EMPRESA: Nergård Senja AS. www.nergard.no

The Nergård Group is one of the major producers of seafood from Norway, with production sites, trawlers and sales organisation. The Group employs a workforce of approximately 450 and has a turnover of 1.9 billion NOK.

Nergård Senja AS is a subsidiary in The Nergård Group. The company has several sites on the island of Senja. The Company turnover in 2012 was 210 mill. NOK and 75 employees. The company has catches from both own trawlers and from the coastal fleet. Main products are saltfish and clipfish of cod and saithe.

DATOS DEL PUESTO:

Nergård AS is looking for a new Managing Director with experience from production area with management skills focusing on results and high degree of market orientation.

The new Director will work tight together with the management in Nergård Group and leaders in other subsidiaries. The candidates must be proactive, good at cooperation and communication, internally within the organization and externally. You have the ability to motivate and inspire your employees.

Your Skills & Experience:

- You have higher education, preferable with a focus on production and/or experience in the production area.
- Candidates with skills in saltfish and clipfish-production would be major assets.
- Fluent in English conversation. If the candidate is not Norwegian speaker, the candidate will be expected to acquire basic communication skills in Norwegian.

Our offer:

- An interesting and challenging leadership task in an exciting business in one of the major seafood companies in Norway.
- A competitive salary and a comprehensive benefits package.

Location:

Senjahopen in Northern Norway, Troms County.
